Commissioner of Patents and Trademarks

Washington, D.C. 20231

Dear Sir:

The Applicant hereby petitions to have the secrecy order lifted. The Applicant conducted a poster presentation entitled "Hebbian Learning, Principle Components, and Automatic Target Recognition," at the Neural Networks for Computing Conference, which was held in Snowbird, Utah, on April 8, 1992, that covered the identical material covered in the patent application cited above. A copy of an internal report summarizing this information is included.

This petition is being filed in duplicate along with one copy of the application as originally filed.

If the Examiner has any questions or other correspondence regarding this application, Applicant requests that the Examiner contact Applicant's attorney at the below listed telephone number and address to facilitate prosecution.
